Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY 19 1999 P2:53

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: It should be of no concern
to the government where I buy
my medicine. Compounding
pharmacies fill a need that is
not being met by the drug stores.
Does government have the right to
tell my doctor what I can &
cannot take?
